Sub: Recognition of Examination

Dear Sir,

I am directed to inform you that the candidates who complete the graduateship examinations of Institution of Engineers (India) after having passed both Sections 'A' and 'B' will be considered eligible for admission to the M.E. Course of this University, on the following conditions :-

- (a) They pass a written and oral qualifying examination to be conducted by the Department concerned. The number of papers, subjects and the syllabi for this examination shall be notified the Department after taking into account the deficiency of candidates and the prerequisites for a particular Master of Engineering courses run by the department.
- (b) On admission, a candidate may be asked to offer an additional course, and pass the examination as specified by the department to further make up the deficiency, if any.
- (c) When a candidate has to offer an additional course, his normal teaching load for Master of Engineering shall be correspondingly reduced.

The admission of candidates under this category should be restricted to two for each course, out of which not more than one may be on a regular basis.

Yours faithfully
