Subject : Corporate Membership of The Institution of Engineers  
(India) for the Qualified Engineers in the Organization

Sir,

With reference to your letter No. BTN/T.258 dated 7th January 1970, I am directed to inform you that the University of Poona is aware of the good work that is being done by the Institute of Engineers in the field of Engineering. There is only one Engineering College affiliated to this University and that being a Government College, recruitment of staff is being made by the Government on recommendations of the Maharashtra Public Service Commission.

Membership of professional bodies like Institute of Engineers (India) is considered as an additional qualification by the Government.

Yours faithfully
