Dear Bishnujee,

Finally I have a good news for you. Yes, I have been offered an admission to MEng in Electric Power Engineering course by University of Waterloo. Thank you very much for your continued support.

Thank you once again

Bala

Hello Balamurugan,

I was just checking whether you already have started your MSc program at University of Waterloo?

Kind regards

Gupta,

Just wanted to share this good news with your team that Mr. Bala Radha Krishnan has been offered a place at University of Waterloo in Masters of Engineering program in Canada. This is first time when

AMIE Graduate has been offered place in Canadian Universities MEng program in their discipline.

Kind regards
