Sir,

I am directed to refer to your letter No.BCT/158, dated the 19th August 1970, with which you have forwarded representation dated the 4th August 1970 of Shri V.S.Hardas, for consideration of this Government.

2. This Government has already recognised Section 'A' and 'B' of the Associate Membership Examination of your institution as equivalent to a degree in Engineering right from 1950. All benefits given to a degree holder in Engineering are extended to the Overseers who get through Sections 'A' and 'B' of the Associate Membership Institution Examination. The statement made by Shri V.S.Hardas that this qualification is not recognised by this Government is not correct.

3. This aspect has been taken into consideration while fixing the seniority of Shri Hardas according to procedure followed in this Department. His request was duly considered duly taking into consideration what is stated in para 2 above and a reply was also given to him.

Yours faithfully,

Sd/-

C. D'Souza
