NEW DELHI-1,
OFFICE MEMORANDUM NO. F.18-94/61-T.2

Dated 17th December 1969

The undersigned is directed to invite a reference to this Ministry's O.M. No. F.18-94/61-T.2, dated the 15th May, 1969 (copy enclosed) wherein it had been stated that the Government of India on the recommendations of the Board of Assessment for Technical and Professional Qualifications had decided that only a pass in full-examination (i.e. in all papers) of the Indian professional bodies/institutions should be treated as recognized for purposes of recruitment to superior posts and services under the Central Government.

The Board of Assessment has recently reviewed its earlier recommendations and has now recommended that the recognition to examinations of professional bodies partly by exemption and partly by examination may continue for a period of five years and the position be reviewed thereafter. The Government of India have accepted the recognition of the Board. Accordingly, a pass in the examinations of the Indian professional bodies/institutions (as mentioned in the above O.M) partly by exemption and partly by examination should be treated as recognized for purposes of recruitment to superior posts and services under the Central Government for a period of five years with immediate effect.
