Dy. Director, Establishment

Dear Shri Bhattacharyya,

Kindly refer to your D.O. letter No. Ab/DS/358-I dated 2.4.77 addressed to the Chairman, Railway Board. The question has been reconsidered and the Railway Ministry have now decided to introduce the holding of Limited Departmental Competitive Examination by the Railways to fill in 25% of vacancies in Class II service. The permanent Engineering Graduates who are beyond six times the field of consideration will be eligible to appear in the said examination.

Yours sincerely

Dear Mr. Roy,

Thank you very much for your letter no. GC/3243 dt. 5th July 1976.

My recollection is that I replied your letter dt. 26th April 1976.

I am sorry if I have not done so. Such of those supervisory staff, with basic engineering diploma qualifications, who have passed Sections A & B are generally given promotion to next higher cadre. I trust this information will be helpful to you.

With regards,

Yours sincerely

A representation has been received on the above subject from the Institution of Electronics and Telecommunication Engineers stating that a pass in the AMIETE Examination of the above Institution is recognised by the Government of India and Union Public Service Commission for the purpose of recruitment to supervisory posts and services under the Central Government as also by various State Governments and IITs/Engineering Colleges whereas it is not being recognised by some Railway Recruitment Boards.

2. The matter has been carefully considered by the Railway Board who have decided that professional and technical qualifications such as a pass in Sections 'A' and 'B' of the A.M.I.E., Graduatship Examination of the Institution of Electronics and Tele-communication Engineers etc. which are recognised by the Government as equivalent to degree in Engineering and for purposes of recruitment to Superior Services/posts under the Central Government should also be recognised for purposes of admission to competitive examinations conducted for recruitment to various posts on the Railways for admission to which an Engineering Degree of a Recognised University or equivalent has been prescribed as the basic educational qualification.

3. Please acknowledge receipt.
