Dear Sir

Your institution of engineers india was on our list from the inception of Nepal Engineering Council. Some how the previous board missed to get it published in Nepal Gazettee. Now it has been for publication through Ministry. Your students are getting registered without any hazzles from the very beginning. Thanks. Saroj kumar upadhyay from Pokhara and by gsm mobile.

Dear Mr. Sanan

Thank you nfor your email. It was also nice talking to you over phone before you left Kathmandu. Hope you has a very pleasant stay in Kathmandu.

I have circulated the mail to all the Governing Board Members of Nepal

Engineering Council. I have already initiated to trace out facts about the Institutions of India and I will keep you informed as soon as I have detailed information.

Thank You.

With Regards,

Dear Mr Upadhyay,

*** ***

***Please recall my telephonic conversation with you
regarding circulation**

of

04/05/2011

a booklet to the participants of 12th Nepal Engineers' Convention wherein

details of various Colleges/Institutions which are accredited to NEA are

provided. It appears that accreditation of Sections A & B examinations

of

our Institution, as equivalent to four-year degree in engineering, has

not

been included in the booklet. May I request you to amplify !

You are requested to initiate necessary action in this matter and arrange

to

include the same. This will go a long way to benefit the students of

Nepal

appearing in Sections A & B examinations of this Institution. If

possible,

please arrange to send me a copy of the booklet as well.*

*Your early confirmation for accreditation of Sections A & B

examinations in Nepal is solicited.*
