Dear Sir,

Kindly refer to your letter no. SDG/SECTT/EXAM dated 20th September, 2010, regarding considering passing of Sections A & B Examinations of AMIE as equivalent to Degree in Engineering.

In this regard, it may be mentioned that BHEL does recognize the fact that pass in A & B Examinations of AMIE is equivalent to degree in Engineering. Though, for the position of Engineer Trainees in Open recruitment, our job-specifications prescribe 'Full time regular Bachelors Degree in Engineering, still departmental candidates of BHEL with AMIE qualification are considered for ET position. Further, for career growth in BHEL, AMIE qualification is considered on same footings as any other B.E./B.Tech. qualification.

With regards,

Yours sincerely,

(B. Shankar)
