My dear Shri Srinivasan,

I have to forward herewith letter ref. No. DS/358-I dated 23.9.77 addressed to the Chief Personnel Officer, ECL by the Dy. Secretary of the Institution of Engineers (India), querying therein whether passing of Sections A and B of the Institution's Examination stand recognized by the ECL Organisation:-

- (a) As equivalent to passing of a degree in engineering;
- (b) for recruitment to superior posts and services; and/or
- (c) for receiving additional increments/promotion?

In spite of the fact that passing of Sections A and B of the Institution of Engineers (India) is regarded by the organisation of Coal as a recognized qualification equivalent to Degree in Engineering, since this is a matter which will be applicable to all subsidiary companies, a confirmation to this effect may kindly be forwarded from your side on behalf of Coal India Ltd. to the Dy. Secretary, Institution of Engineers (India), 8 Gokhale Road, Calcutta-700020.

With kind regards,

Yours sincerely,
Sd/-
B.N.Roy
