Dear Sri Roy,

Sub: Recognition of passing of Sections A & B of A.M.I.E. as equivalent to B.E.  
Degree – Provision of incentive to employee – Regarding

Ref: 1. Your D.O.No. GC/2646 dated 26.4.1976  
2. Your D.O.No. GC/3243 dated 5.7.1976

I must apologise for the inordinate delay in replying to your D.O. letter 1st cited. In this connection I would like to assure you that passing of Sections A & B of A.M.I.E. is considered entirely equivalent to the B.E. Degree so far as the rules of recruitment and promotion in the Engineering Research Department are concerned.

The question of providing incentives to employees who subsequently pass the A.M.I.E. examination or acquire the B.E. or equivalent degree is under consideration. Broadly the proposals are likely to envisage upgrading of such employees to posts for which lines as the upgrading of Supervisors as Junior Engineers after acquiring qualification considered equivalent to the B.E. Degree. I shall keep you informed of further developments in this regard.

As a general policy we do encourage our employees to acquire higher qualifications which would permit them to discharge their duties more effectively as well as further their service interests.

With best wishes,

Yours sincerely,  
Sd/-  
Iqbal Ali
