The Technical Officer (Examinations)  
The Institution of Engineers (India)  
8 Gokhale Road  
Calcutta 700020

Dear Sir,

Sub : Recognition of Sections A & B Examinations of the Institution of Engineers  
Ref : Your letter No. TH/158(A)/dated 20th October 1973

A pass in Sections A & B Examinations of the Institution of Engineers is recognised by us as equivalent to a degree in Engineering. However, for selection of Management and Design Trainees we consider only candidates who have gone through a prescribed course at recognised Engineering College and have obtained a First Class Degree in Engineering. As candidates who pass Sections A & B Examinations of the Institution of Engineers do not fulfil this requirement, it will not be possible to consider their candidature for this selection.

Yours faithfully,  
For Hindustan Aeronautics Limited
