Sir,

Ref : Recognition of passing of Sections A & B of A.M.I.E. as equivalent
to B.E. Degree – Provision of incentives to employees

We have for reference your D.O. letter No. GC/2646 dt. 26.4.1976 addressed to our General Manager and have to inform that our organisation has recognized the passing of Sections A & B of A.M.I.E. as equivalent to Degree in Engineering as far back as October 1968. We are also pleased to inform that we have been granting incentives to our employees who pass the Sections A & B of A.M.I.E. since the introduction of the scheme by us in March 1970 by giving them each a monetary award of Rs. 500/- plus the examination fees paid by them. So far, five employees who have passed Sections A & B of A.M.I.E. while in employment with us, have been benefitted under the scheme.

We do hope you will appreciate the encouragement given to our employees, who have acquired the above qualification.

Yours faithfully
FOR HINDUSTAN AERONAUTICS LIMITED
